

PARENT'S NIGHT OUT UNINTERRUPTED

Escape the bedtime routine, reclaim your sanity, and reconnect with your partner (or friends!). You deserve it!

Tuesday - Thursday Evenings
5p-10p

WHY?

Our Owners, Michael & Andrea, are parents to 2 small boys, ages 4 & 2. From first hand experience, they know and believe it is important for couples to have uninterrupted time to reconnect and date each other again. It can be difficult and costly to arrange a babysitter, so we are taking care of that for you!

HOW DOES IT WORK?

1. MUST CALL AND MAKE A RESERVATION the day before you would like to dine with us so we can ensure we have the availability and proper staffing.
2. \$8/child for 1.5 hours. \$3/child for each additional 30 minutes if available. This charge will be added to your bill.
3. Children under the age of 12 will be cared for in a designated area on our second floor by our CPR certified staff member. This floor is not handicap accessible.
4. Ten (10) children maximum at a time.
5. Parents MUST remain on site and will be notified to change children who are not potty trained.
6. Parents must sign a liability waiver upon arrival.
7. Activities will be provided for children, but feel free to bring your own.
8. Limited kid's menu available to send food up to your children.
