HOST UTICA

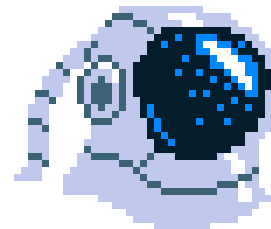

AUTUMN 2026

The seasons change. So does the menu. This time,
we got a little distracted looking up at the
sky.

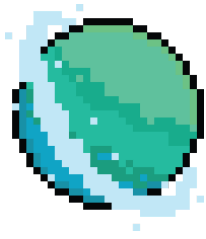

We've taken a trip through the solar system,
with each drink borrowing a little inspiration
from a planet, moon, star, or other celestial
oddy. Different worlds, different moods, same
loving team, same bar.

And if you'd rather visit somewhere that isn't
on the star map, just ask. We'll make you
something of your own.
